## FAQs

### Can I go to any dentist?

No. You must go to your Primary Care Dentist (PCD) from the TotalCare Network and receive care, or be referred for care, from that PCD.

### How does my plan work?

The TotalCare plan covers 100 percent of all eligible preventive, basic and major eligible services with no maximums or deductibles. Care must be coordinated through the participating TotalCare dentist known as your PCD. There is no out-of-network benefit for the TotalCare plan.

### Do I need to choose a PCD?

A PCD will be auto-assigned for you based on your home address. It will be the closest participating office to you and can be changed when you receive your ID card.

### Can my family members choose different dentists?

No. Your covered family members must use the same Horizon TotalCare dentist or group.

### Can I change my primary care dentist?

Yes. The auto-assigned PCD may be changed effective the first day of any month by giving Horizon BCBSNJ 15 days' notice. This can be done by calling the customer service phone number on your ID card.

### How do I find a participating dentist?

To locate a participating provider, please utilize the doctor finder at [horizonblue.com/doctorfinder](https://horizonblue.com/doctorfinder) or by calling **1-800-4-Dental**. Simply log in or continue as a guest, select dental, select the Horizon TotalCare plan, input any location in NJ, select the dentist, specialty or group practice and the results will automatically generate based on the network(s) your plan belongs to.
